Nature’s Mirror: Reality and Symbol in Belgian Landscape Exhibition at the McMullen Museum

As you go through the exhibition, find at least 3 paintings that you like. For each painting, you should make a quick sketch, record the painting’s title and artist, and write at least 3 reasons why you like that painting. If you need help, you can use a sentence starter to help you come up with a reason. Remember, a sketch is a very quick drawing that does not have a lot of detail and should not take you more than a few minutes to draw!
