Bibliography

This bibliography highlights books, journal articles, videos, Web sites, and other sources available in print or electronically from the BC Libraries or on the Web. The resources listed are arranged in five broad themes that correspond to the themes of the exhibit and by the specific wars they cover. (Some titles appear in more than one category.)

**War & the News Media (General)**

**From the Front Lines to the Home Front**

---

**The Media at War**

**Politics, Propaganda, & Public Opinion**

**The Media & Collective Memory of War**

**The Civil War**

The Spanish-American War

World War II

**The War in Vietnam**

**The Gulf War**

**The War in Iraq**

BC Libraries O'Neill Exhibit
